Re: Borough Planning & Zoning Meeting Resource Extraction Definition

Dear Commissioners:

The University of Alaska is requesting that the resource extraction definition discussion, scheduled for the November 9th, 2017 Planning Commission meeting, be tabled for thirty (30) days. We received the agenda and supporting documents just today when it posted on your website.

The University intends to provide proposed language for the resource extraction definition, to be included with the other two draft proposals, for consideration at a future planning commission meeting.

Sincerely,

Christine Klein for Christine Klein
Director
